OUR MISSION

- Facilitate **two-way communication** between C/WC families and the district on educational matters that affect students with special needs;
- Enable parents and guardians to **have their voices heard** by the Board of Education on systemic issues relating to students with disabilities;
- Provide **information & resources** for families of children with extra needs;
- Exchange **support & advice** between parents, advocates, and others;
- Ensure that **all families are included and represented** by the SEPAG, whether their kids attend school in or out of district.

Your child does not need to have an in-district placement for families to be part of this group.

"Families" includes parents, grandparents, guardians, or anyone else caring for a child with an IEP/504 plan in the C/WC school district.

NOTE: SEPAG meetings are "FAMILY ONLY"
